

Dinghy Storage Do's and Don'ts

Do:

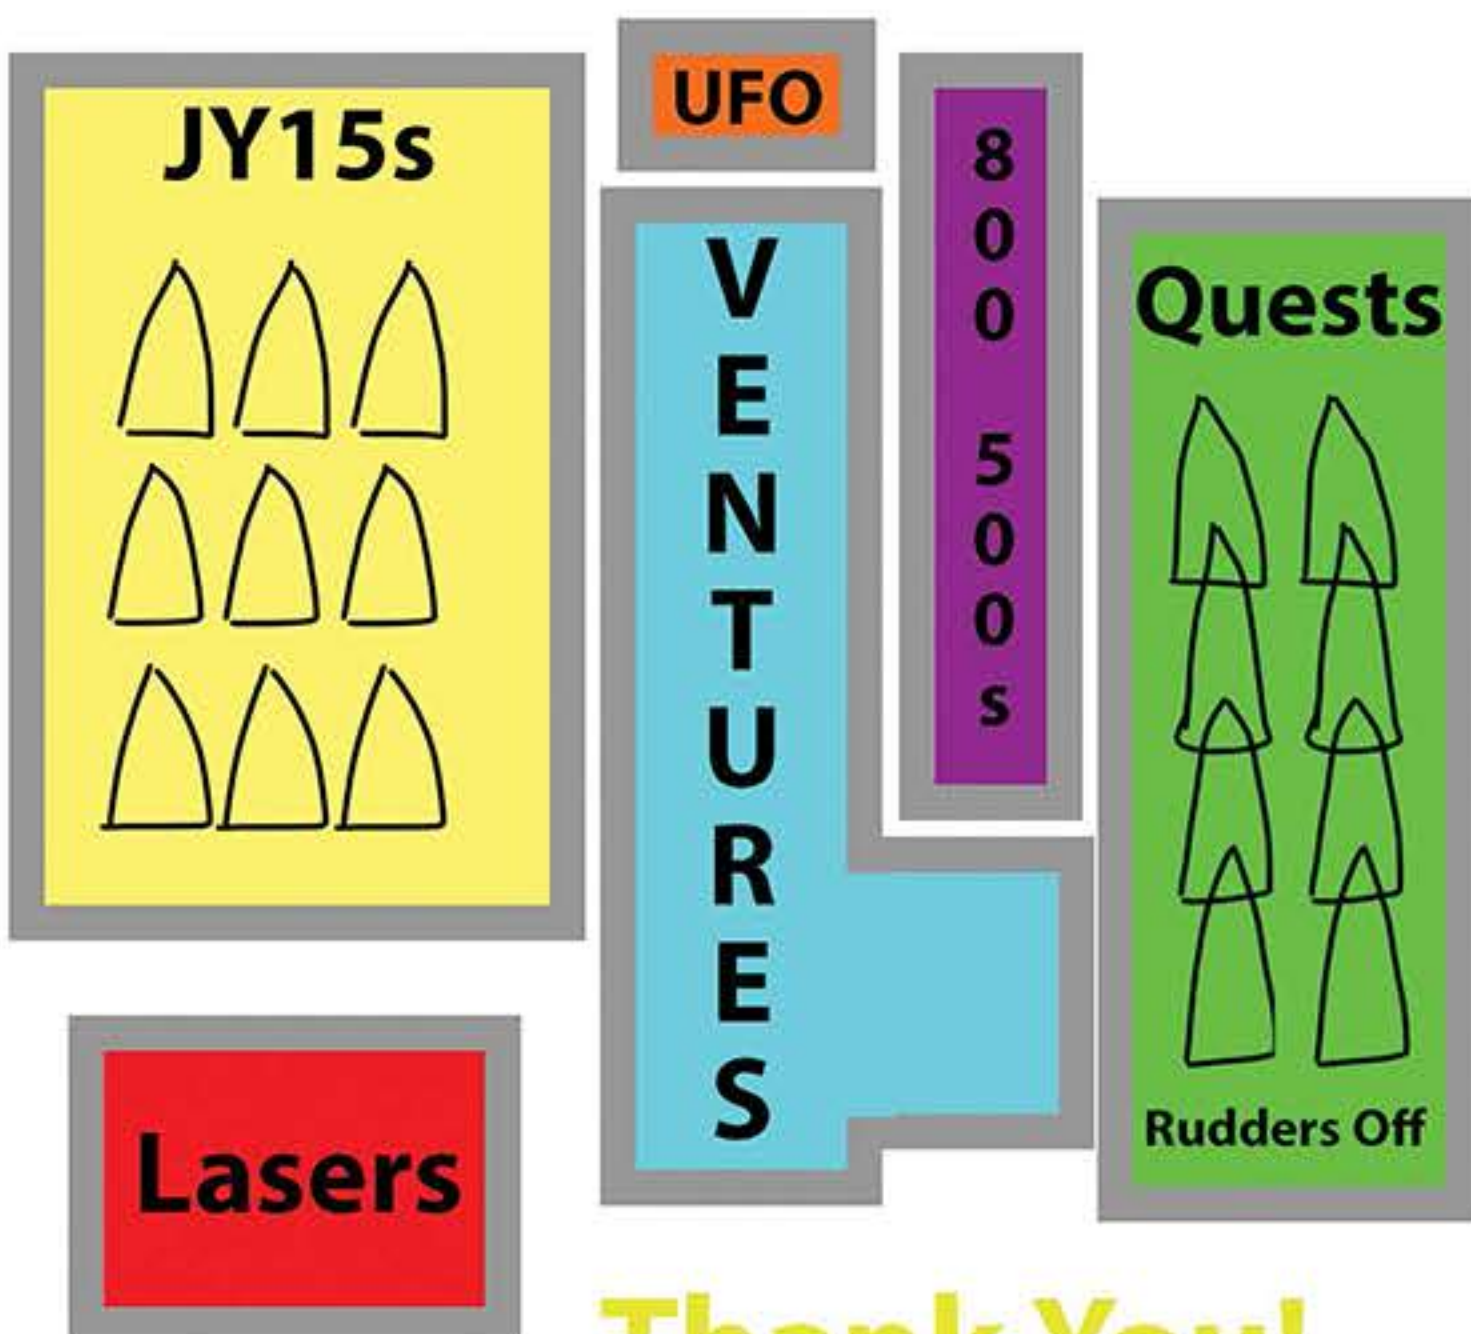

- Put sail covers on
- Remove Quest rudders
- Release the rig tension
- Raise rudder up completely
- Put boats away in accordance with boat year arrangement guide
- De-rig spinnaker, sail should not be exposed to sunlight

Don't:

- Leave the drain plug in the hull
- Coil the bow painter around the dolly handles
- Put anything in the gennaker bag except the sail and its lines
- Leave personal gear (e.g., life jacket, wetsuit, etc.) or trash in the boat
- Leave extral long tiller extension connected to the tiller (500/800 exempt)

IF YOU SEE ANY OF THESE THINGS NOT DONE OR DONE INCORRECTLY, FIX IT AND EARN SOME WORK HOURS. THANK YOU!
